

## DID YOU KNOW?

The Reserve Social Committee has planned another exciting event for members and their guests!

Take a step back in history to a time when the British Colonies extended into South East Asia. Envision lush tropical plants, fresh fruits, garden parties, and British culture. Imagine a lazy Saturday evening playing croquet on the lawn with friends, trying to stay cool while dressed all in white, cold drink in hand.

Please join the Reserve Social Committee as we recreate this romantic time in history.
