This exciting homesite release and referral program was created to help complete The Reserve amenities—to provide members even more opportunities to build and share their family legacy. Real Estate guests can take advantage of substantial purchase incentives on select homesites, while Reserve members are also rewarded when they refer new club members to The Reserve.

Just 14 premier waterfront properties currently qualify for Share the Legacy incentives. These 14 dockable homesites enjoy spectacular lake views and access, all located near The Village Center in the heart of The Reserve
